VIRTUAL SUMMER CAMP For Class LKG to V

Dear Parents

Greetings from Laburnum!!

**“Summers are the best time to let the school bags rest
and engage the fun filled activities.”**

We feel every situation is an opportunity to learn and grow. Keeping this in view, the school management has decided to organise an exciting and exclusive virtual summer camp at **free of cost** from 12th June 2023 to 16th June 2023 for the mental and physical development of the students. We will be providing variety of camp activities focusing on innovation, creativity, visual learning etc and will include different activities like clay moulding, art and craft, dance and music, cooking etc. The students will also be educated daily on how to lead a healthy and active lifestyle and always stay fit. Overall this will be a very productive way for the students to spend their summer vacations in this unpredictable weather condition.

Rest of the details will be updated on UDTe app.

This Summer camp is not mandatory for all but we are looking for better response from your side to provide new Skills/learning to your ward during this summer vacations.

Regards
Principal
