Dear Parents,

Laburnum believes in holistic development of students and competitions give them a chance to show off their skills. We are delighted to inform you that students can participate in an Inter-House Competition. It encourages our students to learn, protect and respect the environment. This Competition will provide our youth with the opportunity and experience to speak in front of a large audience, thus enabling them to gain a degree of poise and self-confidence they can apply to their everyday lives. Adequately prepare our participants to familiarize themselves with all facets of public speaking, not a nurturing environment. **Preliminary round to be held on 26.07.23 in which all students will participate and one best student will be selected house wise from each class and selected students will go in final round which will be held on 27<sup>th</sup> & 28th July 2023.
