Awards And Accolades

ASBC ASIAN BOXING CHAMPIONSHIP

Our School is proud to announce that Prashant, a Class 12 student, has secured the 3rd Prize in the prestigious ASBC Asian Boxing Championship held in Abu Dhabi. His remarkable achievement is a testament to his dedication, hard work, and unwavering spirit. The entire school community, along with Chairman Shri Anil Pandit Ji and Principal Dr. Bhavna Chibber, congratulated Prashant on this incredible feat. We extend our best wishes for his future endeavors in the world of boxing

CBSE NATIONAL CHAMPIONSHIP

Our School has achieved a remarkable victory, securing the 1st Runnerup in the CBSE National Championship held in Mahendarwada, Haryana. This outstanding accomplishment was made possible under the expert guidance of Coach Mr. Manoj, whose dedication and training played a crucial role in the team's success. A special mention goes to Chirag Sharma (Class 12), who was honored with the Best Boxer of the Tournament award, showcasing his exceptional skills and determination in the ring. The school management, including Chairman Shri Anil Pandit Ji and Principal Dr. Bhavna Chibber, congratulated the team for their hard work and perseverance.

NATIONAL YOUTH ROBOTICS CHAMPIONSHIP

Students from the Robotics Lab at Laburnum Public School showcased their exceptional skills at the National Youth Robotics Competition, organized by Amity International School. They actively participated in various events, including Robot Making, Robo Soccer, and Line Follower. In Robo Soccer, students of Classes 9 and 11 secured the 3rd prize, while Classes 6 to 8 qualified for the next level. The young innovators from Classes 3 to 5 achieved remarkable success, securing the 1st prize in both Robo Soccer and Line Follower. With their outstanding performance, our students have now qualified for the National Level, which will be held at Amity University, Noida. Their achievements stand as a testament to their dedication, creativity, and passion for robotics.

Special Assemblies

Say No to Corruption

On 02 November 2024, the students of Class VIII conducted a special assembly with a central theme of "Say No to Corruption." This assembly was organized as part of Vigilance Surveillance Week, an initiative aimed at raising awareness about the detrimental effects of corruption and advocating for the importance of integrity and honesty.

Children's Day

A special Children's Day assembly was held at Laburnum Public School, a heartwarming event conducted by the dedicated school teachers to celebrate the spirit of childhood and honor the importance of the young learners. This assembly, conducted with great enthusiasm and dedication, aimed to create a memorable and inspiring experience for students and staff alike.

Diwali

The students of Class III celebrated a special assembly dedicated to the festival of Diwali. The assembly was a splendid event that brought students and teachers under one roof to commemorate this joyous occasion. It was a vibrant showcase of talent and unity. It emphasized the importance of spreading light, happiness, and love in our lives, aligning with the core values of the festival.

World Soil Day

On 5 December 2024, the students of Class XII-B came together to organize a special assembly in celebration of World Soil Day. The primary objective of this assembly was to instill awareness about the critical importance of soil conservation and sustainable practices among the students. The assembly commenced with a prayer, setting a reflective tone for the gathering. This was followed by a thought of the day, carefully chosen to stimulate contemplation on the students' role in preserving the environment, particularly the soil.

New Initiatives

NO DUSTBIN DAY

Laburnum Public School proudly marked 'Dustbin Free Day' on November 3, 2024, as a testament to our dedication to the 'Swachh School Swachh Bharat' initiative. The event aimed to instill awareness about cleanliness, responsible waste disposal, and minimizing single-use plastic. With spirited involvement from students and teachers alike, the day exemplified our collective commitment to a cleaner, greener future.

FREE SPROUTS DISTRIBUTION

Our school has launched a thoughtful initiative of Daily Morning Free Sprouts distributions for our students. This endeavor aims to promote healthy eating habits and provide nutritious options to start the day. By offering fresh sprouts free of charge each morning, we're not only nourishing bodies but also fostering a culture of wellness and mindfulness among our student community. This initiative reflects our commitment to holistic education and the well-being of our students.

Workshops For Students

Introduction to AI and Robotics

Laburnum Public School organized an AI and Robotics Workshop on 12th November 2024 to raise awareness about AI's growing influence and inspire students to explore careers in robotics. Experts highlighted AI's impact and demonstrated various robotic projects, including Robo Soccer, Obstacle Avoider, Line Follower, and Remote-Control Car. The hands-on session sparked curiosity, encouraging students to delve into robotics, programming, and AI technologies. The workshop successfully fostered innovation and problem-solving skills among young learners.

Twinning Program

Our School organized a twinning program with Government Girls Senior Secondary School (GGSSS) to foster collaboration and knowledge exchange. The initiative aimed to promote cultural understanding, academic enrichment, and skill development among students. Interactive sessions, group discussions, and collaborative activities enhanced learning experiences, strengthening the bond between both institutions. The program successfully encouraged peer learning, mutual growth, and holistic development.

Workshops For Teachers

Problem Facing in the 21st Century

Our School organized a workshop on "Problem Facing in the 21st Century", hosted by Mr. Bilal Ali. The session addressed key global challenges such as climate change, digital transformation, mental health, and socio-economic disparities. Mr. Ali provided valuable insights into overcoming these issues through critical thinking, innovation, and sustainable solutions. The interactive workshop encouraged students to engage in discussions and develop a deeper understanding of modern-day challenges, equipping them with the mindset to tackle future problems effectively.

Enhancing Early Childhood Education

Laburnum Public School organized a workshop on Enhancing Early Childhood Education for teachers, conducted by Chandandeep Marwah. The session focused on innovative teaching strategies, child psychology, and interactive learning methods to improve early education. Teachers gained valuable insights into engaging young learners, fostering creativity, and building a strong educational foundation. The workshop successfully equipped educators with practical approaches to enhance classroom experiences and nurture holistic child development.
